

## The Balanced Bible Reading Plan

Entire New Testament every six months; Psalms once a year,  
Proverbs three times a year; OT once in three years.

Note: Each line represents a single day's reading, and should take about 20-30 minutes. However, there are no dates because Scripture reading should be driven by the Holy Spirit, and not a date on a chart. If the Holy Spirit has you 'camping' on a section of Scripture, then spend some time studying, without feeling 'driven' by the need to get 'today's reading' done so you can stay on schedule. It's not a race. Check off the boxes as you read, but don't have a "check-off the box" mentality. It's not a race. It's a communion between you and God.
